Monthly ECG Overread and Chart Review Packages

Choose the plan that best fits your anticipated monthly ECG and cardiology oversight volume. All plans include a board-certified nurse practitioner, with over 10+ years in both inpatient and outpatient cardiology, review with standardized turnaround times during regular business hours (8am-5pm) to be agreed upon.

Core Monthly Plans

Package	Monthly Volume	Price per ECG/chart	Monthly Fee
1	10 charts/ECGs	\$13 per unit	\$130/month
2	20 charts/ECGs	\$12 per unit	\$240/month
3	30 charts/ECGs	\$11 per unit	\$330/month
4	40 charts/ECGs	\$10 per unit	\$400/month
5	50 charts/ECGs	\$9 per unit	\$450/month

**Additional ECGs beyond plan limits will be billed at the package's per-unit rate or rolled into a higher-tier plan the following month if desired by the customer. Note: units do not roll-over to next month.*
